Welcome

We hope that you find the enclosed map of the medical center’s campus helpful. If you need additional help in locating any service or department, please check with the visitor information desk.

Queen of the Valley Medical Center, a 191 bed acute care facility, is the most comprehensive healthcare resource in Napa County, with a Regional Heart Center, a Regional Orthopedic Center, a Cancer Center, a Neuroscience Center, a Women’s Center, maternity and infant care, inpatient and outpatient minimally invasive surgery, occupational health, full-service emergency department, and many other specialty services.

The medical center was founded by the Sisters of St. Joseph of Orange and is part of the St. Joseph Health System.

Need a physician? Call the Queen’s Physician Referral Service at 877.QUEEN LINE (877.783.3654)
