

Welcome!

We hope that you find the enclosed map of the medical center's campus helpful. If you need additional help in locating any service or department, please check with the visitor information desk. Queen of the Valley Medical Center, a 211 bed acute care facility, is the most comprehensive healthcare resource in Napa County, with a Regional Heart Center, a Regional Orthopedic Center, a Cancer Center, a Peggy Herman Neuroscience Center, a Women's Center, maternity and infant care, inpatient and outpatient minimally invasive surgery, full-service emergency department, and many other specialty services. The medical center was founded by the Sisters of St. Joseph of Orange and is part of St. Joseph Health.
