

Language Bank

In addition to the skills you will be using in your new job at Queen of the Valley Medical Center, you may have another ability to offer which could be helpful to patients and their families. If you are able to communicate in sign language, or you can fluently speak, read or write another language besides English, we'd like to enlist your aid as an interpreter to help people in the Hospital. Please fill out the form below, so we can add your name to the Language Bank and call upon you when the need arises.

Employee Name _____

Department _____

Social Security # _____

- Sign language Sign only Understand only Sign and Understand

Language you are fluent in (besides English)
