The four core values of the Sisters of St. Joseph of Orange are the guiding principles that enable us to achieve our Mission. Each of us is committed to these values and works to make them present in our relationships with each other and with those we are privileged to serve. Our values continue a tradition of excellence.

DIGNITY

We respect each person as an inherently valuable member of the human community and as a unique expression of life.

EXCELLENCE

We foster personal and professional development, accountability, innovation, teamwork and commitment to quality.

SERVICE

We bring together people who recognize that every interaction is a unique opportunity to serve one another, the community and society.

JUSTICE

We advocate for systems and structures that are attuned to the needs of the vulnerable and disadvantaged and that promote a sense of community among all persons.
